Sprayer 100<sup>®</sup>

# 3 Litres - Just push!

with innovative "turn & spray" system!

## Spray nozzle

Adjustable from compact jet spray (around 4 meters) to fine mist.

## Electrical pump

Silent maintenance-free pump which does not require propellant.

## Charging socket

To connect to the mains with enclosed charger. (DIN)

## High quality PE head

Good looking ergonomical spray head, comfortable handling.

## Push button

Perfect, steady spraying action using a light touch of the finger. No tiresome pumping.

## 28 mm winding

compatible with virtually all EU standard bottle necks.

## Rechargeable battery pack

Good for up to 3 litres permanent spray action. Lithium batteries without memory effect.

## Flexible tubing

with weight and sieve. Enables the innovative "turn & spray" system. You can spray from all positions (360 degrees), even upside down!

## Container

Suitable for water-based chemicals as well as acids, alcoholic surface disinfection liquids, all liquid cleaners etc.

## Fallweight

Weight with sieve "turn & spray" system!

## Extras:
